This is the fifth office action for serial number 09/698,382, Strap Tie Holder, filed on October 27, 2000. Acknowledgement is made of applicant's request for continued examination filed September 26, 2003.

#### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Charles R. Cypher on May 24, 2004.

The application has been amended as follows:

In claim 6, line 22, "fastener means" has been changed to -said fastener means-.

In claim 16, part h, lines 2 and 3, "fastener means" has been changed to -said fastener means, said first portion is a first flange-.

In claim 18, line 1, "claim 16" has been changed to -claim 17-.

In claim 19, line 2, "said strap receiving portion" has been changed to -said first strap receiving portion-.

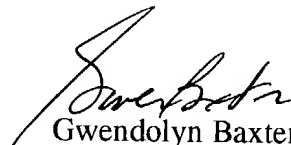

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach the retaining means comprises third, fourth, fifth and sixth flanges; the holder having a transition portion connected to the attachment portion having a first surface that interfaces with the first face of the strap connector; or a wedge having a first surface wherein the wedge is dimensioned to fit the sleeve of the compression means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
